DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1, 18-22 are rejected under 35 U.S.C. 102(b) as being anticipated by Edelman (US006064986A) as applied in the prior office action. See prior office action for specific citation and reasoning.

Response to Amendment

Applicant's amendment to the abstract has overcome the objection for the Specification.

Response to Arguments

Applicant's arguments see page 3 lines 12 through page 6, filed 7/24/2006, with respect to claims 1, 18-22 have been fully considered and are persuasive. The 35 USC 101 rejection of 4/24/2006 has been withdrawn.

Art Unit: 3624

Applicant's arguments filed 7/24/2006 have been fully considered but they are not persuasive with respect to the 35 USC 102 rejection of claims 1 and 18-22.

Applicant's argues that nowhere does the Edelman reference teach the receiving steps of claim 1 of the instant application, especially the receiving of an electronic confirmation form the grantor over the computer network to establish the trust with the conveyed funds. Examiner disagrees.

Edelman discloses receiving an electronic confirmation from the grantor over the network establishing a trust with the funds in cols 1, 5 and 8-14.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
